CRITERIA FOR NOMINATIONS

- Open to local businesses or community organisations based in the suburb of Karori.
- The nominees will be an employee or volunteer who has demonstrated an ongoing sense of pride in the daily work that puts him/her on an excellent standing with their employers; and/or all their work colleagues; and/or the general public who they serve. This employee/volunteer will exceed the employer's expectations in the role and they have gone beyond employment expectations, and be achieving excellent outcomes.
